

Please provide your recommended change below.

Information on how to complete the form

Section ID

The 'Section ID' should be related to a single section (e.g. 2.3 or C15.6).

If you use other formats (e.g. 2-3, 2/3 etc) the ABCB system may reject your comment.

Paragraph/Table/Figure/Comment/Note

If possible, please provide additional identifying information (e.g. 2nd paragraph or Table 2.3)

Comment

The 'Comment' field should describe the issue you feel should be addressed, and a justification for the proposed change.

Proposed change

The 'Proposed change' field should set out the specific text, figure etc. you propose to be added, removed or altered.

Supporting documentation

Supporting documentation is only to provide information to substantiate your comment such as diagrams, new or updated tables, research papers or other documentation. Please do not submit comments as supporting documents as they will not be accepted.

Save and come back later

The "save and come back later" button gives you the option to save your work. Enter your email address to receive an email with a link to return to your consultation response before the closing date. It is recommended to use this feature if you wish to submit multiple comments.
